

Residential and Corporate installation is available through The Preservation Framer. We can hang a grouping of frames or single pieces.

### Questions We Ask When Scheduling

What is your name, email address, and phone number?

What is the name and number of the best on-site contact?

What is the address for the install?

How many pieces are there and what are the largest sizes?

What is the approximate weight and kind of hardware used on the pieces?

Is the piece being installed above 8ft?

Are there any high walls or stairwells?

Are the walls drywall or something else? (brick, stone, horsehair plaster)

\*All Installations are **\$95** per hour, per installer, plus travel.
